

THE LIGHT WITHIN

In response to the sublimely beautiful nature photography of American master photographer Ron Rosenstock, Eugene Skeef, the widely acclaimed South African composer and musician based in London, has created a breathtaking soundscape to complement the images. Internationally renowned poet Gabriel Rosenstock, contributes sensitive, finely honed haiku, in Irish and English, to this unique multimedia project. This is THE LIGHT WITHIN ...

"Ron Rosenstock, Eugene Skeef and Gabriel Rosenstock's collaboration in The Light Within is an awe-inspiring collaborative experience of the aural, visual, and language arts...a must buy for oneself or as a gift."

- Anagee Deodhar, India

"The Light Within is a breath taking international collaborative work of three acclaimed masters - US based photographer Ron Rosenstock, London based South African composer Eugene Skeef and Irish poet Gabriel Rosenstock."

- GSP Rao - Managing Editor, Muse India
www.museindia.com

Gabriel Rosenstock is an internationally proclaimed poet, haikuist and prolific writer and translator in many genres working mainly through the medium of Irish (Gaelic).

Eugene Skeef FRSA is a London-based South African percussionist, composer, poet, educationalist and broadcaster. Has composed for London Philharmonic Orchestra, London Sinfonietta and the Royal Scottish National Orchestra.

Ron Rosenstock is an American photographer. "I regard photography not just as a way of seeing but as a way of living, a search or an exploration."

THE LIGHT WITHIN

THE LIGHT WITHIN

"This is pure meditation of the mind, an exquisite feast of the senses where the low murmur of the haiku and the entrancing soundscape create the impression that you are within Ron Rosenstock's photographs."
